

ATCA CONFERENCE CANBERRA 2011

Australasian Transplant
Coordinators Association

Australasian Transplant Coordinators Association (ATCA) is holding its annual conference to discuss and learn contemporary issues in the donation and transplant sectors.

The conference provides the opportunity for health care workers to gain valuable insight into the transplant and donation sectors. How this affects the working environment, practices and patient outcomes, for donor and recipient families.

**“Change
is not a dirty
word”**

Medical, nursing and allied health
welcome. Be part of Australasia's
premier organ & tissue donation event.

**Mantra Hotel on
Northbourne Ave
Canberra**

**Monday 27 June —
Wednesday 29 June
2011**

**KEYNOTE SPEAKER
DAVID KOCH**
